Krishnagiri

Govt High School -SSLC

Percentage : 87

2016-2017

Jangalapuram

PROJECTS

Why Global Service

Editor: Vs Code

May 2024 - Present 2024

Websites : Vivegam, Construction, Foot Relief

Developed interactive and intuitive menu sections and pages (Home, Blog, News, Contact Us, Dashboard, Footer, Navbar) using ReactJs and Tailwind CSS to ensure an optimal user experience across all devices.

Collaborated with senior developers to address technical issues and enhance website functionality while designing responsive key UI components.

Web Applications : Job portal, Snap news, Whytap, Himadri ayurvedic

backend connections using NodeJs, ExpressJs, and MongoDB, integrating data to display dynamic UI elements such as dashboards and news sections, and developed APIs for user login and registration functionalities.

Designed and developed responsive menu sections and pages, including Blog, News, Testimonials, Contact Us, FAQ, Service, and Home, using ReactJs, Tailwind CSS, and CSS, ensuring a seamless user experience across all devices.

Self Projects: Task Manager, Resume, E-commerce Website, Portfolio

Completed various projects using HTML, CSS, JavaScript, ReactJs, NodeJs, and ExpressJs, featuring CRUD operations and responsive design across all devices, including mobile, desktop, and iPad. These projects are showcased in my portfolio. [View Portfolio](#) 

SKILLS

Programming Languages : HTML , CSS , JavaScript , ReactJs , TailwindCSS , ExpressJs, NodeJs , MongoDB

INTERNSHIP

Completed Full Stack Development training at Why Tap, where I collaborated with senior developers on hands-on projects and gained practical experience. During the internship, I developed a webpage using MERN stack technologies (ReactJs, ExpressJs, NodeJs, MongoDB), contributing to project success and applying technical skills in a real-world environment. [View Certificate](#)  [Oct 2023 to Mar 2024 - Six Month]

STRENGTH

Self- Motivated Person , Decision Making Abilities , Problem Solving and Ability to work independently .
